Corinthian CC - 75 Years

Dear Corinthian members and friends,

Welcome to the first edition of the Holy Cow for 2009, the year in which we celebrate 75 years as a club. It is my pleasure to be club President for such an auspicious year and I know that the Board of Directors is working very hard to make sure that this is a year to remember. We are looking forward to some great cricket this season from our flagship Corinthian team who have been promoted to 2nd Division as well as the Casuals who will be looking to improve on last years solid performances (including a place in the final). Our social team, the Occasionals, will also be looking for a fun year of exciting cricket.

We have many events planned in celebration of our 75th anniversary. We have already visited our friends in Phoenix and we are looking forward to their return visit later on in the year. There are several special cricket matches being planned as well as golf outings and of course our Anniversary Banquet. Stay tuned to both this editorial as well as the club website for all the details.

Wishing all our players and friends a wonderful 2009 season.

Phil Traynor
President, Corinthian Cricket Club

Warm Up Game – Saturday March 7th.

The skipper reports:

"Gday gents, I hope all is well with everybody. Let's have a warm up game, fellas – I reckon at the Village Green. Let's look to get together around 10am, although as usual we'll be glad of some volunteers to give us some help with the setting up of the ground and stuff.

Should be a good fun game, and we'll have a few tinnies and maybe a bit of pizza or something after, yeah?

Look forward to seeing you there. Give me a call if can't make it.

Man-Boobs: The Truth At Last!

By Clifford Severn Jr.

“It’s all about the excessive intake of lactose-heavy cow’s milk,” he explained yesterday. “Too much consumption of any B-complex suspension can cause significant stress to the benign chemical balance of the healthy male chest region. That’s why I restrict my breakfast liquids to those only derived from soy, fish, banana oil, Neutro-fiber, sun-tan lotion, waxing solutions, linseed extract and chest hair remover.”

Miss Sangeeta ‘Starlips’ Patel was unavailable for comment.

“**Bat Like Me**” (To the tune of The Beatles’ “Let It Be”)

“When I find myself in times of trouble
Geoffrey Boycott comes to me,
Just play straight, defensive,
Bat like me...”

And although my timid forward prod
Will never find the bound-a-reeee
Geoffrey Boycott loves it,
Bat like me..”

Bat like me, bat like me, bat like me, bat like me,
F**k that Ricky Ponting, bat like me...”

(Repeat for another 38.2 overs..) (Shouts of “Get On With It...”)
